A Note to Extension Students

Most courses listed in the schedule are open to extension students, assuming prerequisite requirements have been met. Up to three courses and fees paid for credit may be applied to degree programs by extension students who later enroll (as long as courses taken apply to the degree program). Enrolled students are given first priority in size-limited classes. Extension students interested in taking courses for credit should contact the Registrar for enrollment information. Payment is due at the time of registration. The cost to audit a course is \$600. No credit is given for classes taken as an audit.
