Most courses listed in the schedule are open to extension students, assuming prerequisite requirements have been met. Up to three courses and fees paid for credit may be applied to degree programs by extension students who later enroll (as long as courses taken apply to the degree program). Enrolled students are given first priority in size-limited classes. Extension students interested in taking courses for credit should contact the Registrar for enrollment information. Payment is due at the time of registration. The cost to audit a course is \$600. No credit is given for classes taken as an audit.

All courses numbered 499 and below are certificate and bachelors level classes. Courses numbered 500 to 699 are graduate (masters) level classes. Courses numbered 700 and above are doctoral level classes but may occasionally be used in master's programs.
